# Messages from Our Leaders

Loren J. Ranaletta  
ESLC President/CEO

**We are proud of our longstanding history, and remain committed to being at the forefront of senior health and wellness now and in the future.**

As ESLC celebrates 150 years of service to the Rochester community this year, I am excited for the opportunity to raise awareness of our organization and the direction we are headed. Our mission has always been to respond to the needs of seniors, and we are doing that in innovative ways now more than ever. We are proud of our longstanding history, and remain committed to being at the forefront of senior health and wellness now and in the future.

Our good work would not be possible without the many dedicated staff. Day in and day out, they tirelessly give of themselves to provide the utmost quality of care and service to those we serve. The team of professionals here at ESLC are some of the best in the field who support and inspire each other every day. It is rewarding to see this first-hand.

We could not accomplish all that we do without the support of so many. I am continuously amazed at the outpouring of generosity during our annual Supporters Campaign, and throughout the year. On behalf of all leaders here at ESLC, thank you.

As we look to this special anniversary year, and the near future, we are energized by the many opportunities that lie ahead. These opportunities allow us to continue our mission and our desire to be a resource for seniors and their loved ones who need guidance. Neighborhood-based housing, services and programs will expand our reach to even larger groups of seniors.

It is an exciting time for Episcopal SeniorLife Communities and an exciting year. We hope you join us for the many festivities planned as we celebrate our 150<sup>th</sup> Anniversary with this community.

It is an honor to lead the 150<sup>th</sup> Anniversary Committee during such an exciting time for Episcopal SeniorLife Communities. Not only are we celebrating 150 years of service to the Rochester community, but we are doing so at a time when the organization is more poised than ever to propel forward.

The Anniversary Committee has worked diligently, with the dedicated involvement of members from various constituency groups, to plan a variety of events and activities throughout the year to raise awareness of the organization and celebrate with the community. You will find several milestone events outlined in this issue and more details throughout the year will be posted online at [EpiscopalSeniorLife.org/150-anniversary](http://EpiscopalSeniorLife.org/150-anniversary). Please join us!

As we embark on this anniversary year, we thank you for your continued partnership in supporting our efforts and all that ESLC does. Together, we are truly making a difference.
