

RESIDENT MEMO

TO: Valley Manor Residents
FROM: Michelle Scipioni, Executive Director
RE: Jenny's Hair Salon
DATE: June 3, 2020

I am pleased to announce that Jenny's Hair Salon, located on the ground floor at Valley Manor, is reopening this Friday, June 5. If you are an established customer, Jenny will be contacting you to schedule an appointment; otherwise you can contact her directly at (585) 770-1997. Walk-ins are not accepted at this time. Also, only one customer is permitted in the salon at a time and there will not be a waiting area, therefore Jenny will contact you via phone when she is ready for your scheduled appointment. In order to stay in compliance with state regulations, customers are required to wear a face mask.

In addition, Jenny will be regularly tested for COVID-19 as an added precaution. She will also be sanitizing in between customers to ensure the health and safety of everyone.

Please let me know if you have any questions. Thank you.
