

RESIDENT MEMO

TO: Upper South Street Residents
FROM: Neil Cavalieri, Executive Director
RE: Visitation
DATE: June 18, 2020

I am pleased to announce the following new update:

Visitation

Beginning Monday, June 22, Upper South Street will be open for visitors with the following precautions:

- Only two guests per apartment are permitted at a time. This includes medical personnel as well as other guests.
- Masks must be worn throughout the building, and visitors should move directly to and from the apartment without stopping in any community areas.
- All community and common areas are for residents only – no guests including personal care aides should be gathering or sitting in these spaces until further notice.
- While in the apartment, I remind you that you should maintain social distance where possible and practice hand washing/sanitizing, per usual.

As restrictions begin to ease and the community opens up, it remains ***absolutely essential*** that we continue to honor all COVID-19 precautions. **Wearing masks, practicing good hand hygiene and social distancing remains our best defense against this virus and a resurgence in the community.**

Thank you for your cooperation and understanding as we work together to keep everyone safe and healthy.
